

Preliminary editorial plan for 2012

First quarter: January №1 (61), February №2 (62), March №3 (63)

1. World Production and Market of Polypropylene
2. Production and Global Market for Vinyl-Pyridine Latexes
3. International conference "Rubbers and Tyres 2011" in Moscow
4. Glycerol in Russia / CIS
5. Production and Market for Xylenes in CIS
6. Production and Market for Butanol and Isobutanol in CIS
7. Production and Market of Calcium and Sodium Hypochlorites in CIS
8. Fungicides, Seed Desinfectants and Bactericides: Foreign Trade Operations in Ukraine
9. Alkylcelloolves in CIS : Production and Market
10. Production and Market for Graphite in CIS
11. Production and Market for Basalt in CIS
12. Overview of the Chemical Industry in Croatia
13. Overview of the Chemical Industry in Bosnia and Herzegovina
14. Chemical Industry in FYR Macedonia

Second quarter: April №4 (64), May №5 (65), June №6 (66)

1. Market Review for Thermoplastic Polyurethane in CIS
2. Automotive Plastics in Russia / CIS
3. Hydroquinone in CIS : Market Review
4. Production and Market for Naphthalene in CIS
5. Market of Vinylacetate in Russia / CIS
6. Market of Liquid Chlorine in CIS
7. Nickel Salts in CIS : Production and Market
8. Global Cobalt Salts Production
9. Russian and Ukrainian Market for Styrene-Acrylic Dispersions
10. Oil bitumen as a raw material for P&C
11. Ultramarine in CIS : Production and Market
12. Manufacture and Market of Talc in CIS
13. Natural and synthetic zeolites in CIS
14. Chemical Industry in Albania
15. Overview of the Chemical Industry in Slovakia

Third quarter: July №7 (67), August №8 (68), September №9 (69)

1. Plastics in Building Industry in CIS countries
2. Market of PE Wax in CIS
3. Russian Market of Cable Compounds
4. Review of Russian Polybutadiene Rubber Market
5. Market of Acetonitrile in CIS
6. Russian and Ukrainian Acetone Market
7. Isopropyl Benzene and Alpha-Methyl Styrene in CIS and EU
8. Production and Global Market of Aniline
9. Global Production and Market of Molybdenum Compounds
10. Manufacture of White Spirit in CIS

11.	Production and Market for Alkyd-Urethane Lacquers in CIS
12.	Silica and Microsilica : CIS Production and Market
13.	Russian Market for MTBE
14.	Russia's Market for Fuel Additives

Fourth quarter: October №10 (70), November №11 (71), December №12 (72)

1.	Polyvinylcarbazole and its Co-polymers
2.	Recent Trends of Polycarbonate Market in Russia
3.	Manufacture of Epoxies in Russia and Ukraine
4.	Production and Market for PET in CIS
5.	European and Russian Market of Ethanolamine
6.	Russian Market for Ethylene Glycol
7.	World Production and Market of Tungsten Compounds
8.	Global Production and Market of Niobium and Tantalum Compounds
9.	Global Production and Market of Zirconium and Hafnium Compounds
10.	NPK Fertilisers Market in CIS
11.	Production and Market for Ammonium Sulphate in CIS
12.	Manufacture of Pentaphthalic Lacquers in CIS
13.	Ukrainian Market of Petroleum and Coal Tar Naphtha
14.	Review of the Russian Market for Rubber Accelerators
